Accept your Beta invitation 1

Accept your Beta invitation

After you've been accepted into the Project Astra Beta program, you'll receive an invitation to join a Project Astra account. Accept this invitation to gain access to the Project Astra interface.

Steps

1. Open the email invitation to join a Project Astra account.

2. Confirm that the email address in the invitation matches the email address that you used to sign up to Cloud Central.

If they don't match, then contact the person who added you to the account and let them know the email address that's associated with your Cloud Central account.

3. Click **Join Now**.

A prompt should load in your web browser.

NetApp Project Astra

YOU'VE BEEN INVITED

You have been invited to be a member in the "[redacted]" account on Netapp Project Astra.

Astra is a Kubernetes application data lifecycle management service that simplifies operations for data-rich stateful applications.

← Ignore

Accept Invitation →

4. Click **Accept Invitation**.

If you are the first person to join the Project Astra organization, you will be prompted to provide your address and serial number. **Be sure to use a valid physical address.** If you are being added to an existing account, you should now see the Project Astra interface.
